Sir:

It is requested that the following references be considered by the examiner and be made of record in the above-identified application for Letters Patent. No admission is being made that these references are prior art, and applicants reserve the right to challenge such a conclusion.

- 1) U.S. Patent No. 4,663,655;
- 2) U.S. Patent No. 5,748,770

Each of these references was cited in the International Search Report, mailed July 29, 2002 (copy enclosed) received in applicant's corresponding International Application No. PCT/US 02/11355.

One document namely, U.S. 4,774,565, which was cited in the International Search Report, has not been submitted herewith since it was previously cited in the Information Disclosure Statement filed April 12, 2001 by applicants.

For the convenience of the examiner and to facilitate their citation, applicant submits herewith a completed form PTO-1449 (Rev. 2-32) along with a copy of each of the listed references.

Since this paper is being submitted within three months of the mailing date of the International Search Report, no fee is required.

Nevertheless, should any fee be required, please charge the fee to the deposit account of Polaroid Corporation, Account No. 16-2195. A duplicate copy of this paper is attached.

Respectfully submitted,

Gaetano D. Maccarone
